

# Quality of life after the all clear

Monica Kleijn Evason

A close-up photograph showing a hand wearing a blue nitrile glove holding a human hand. The human hand is resting on a white surface, possibly a bedsheet. The text "Together is better" is overlaid in white, sans-serif font across the center of the image. The background is softly blurred, showing more of the white surface and a hint of a person's arm in the upper left corner.
